Agriculture Services

Our Agriculture Services team provides experienced domestic and foreign seasonal workers to meet your exact requirements

Securing a productive, consistent, and accessible workforce is a time-consuming and administrative burden that can divert focus from your day-to-day business operations.

AG&P FieldWork - Agriculture Services offers:

- Manpower training
- Housing [fixed or mobile], including government inspection, coordination, cleaning, sanitation, and laundry services
- Meal arrangements
- Daily transportation to and from work location[s]
- Health checks and medical screening, including COVID-19
- Worker supervision and English speaking coordination
- Government and client reporting

Why AG&P?

Experience

We have deployed over 2,500 temporary workers globally in the past five years, securing visas and managing logistics. We bring our 40+ years of experience to provide a seamless process, including candidate selection, background checks, visa coordination, onboarding, employee monitoring, and offboarding services.

Compliance

AG&P is committed to the highest international standards of compliance. We are fully compliant with U.S. Department of Labor and Department of Agriculture regulations, laws, and provisions.

Caring

We ensure that all workers are respected, cared for, and paid fairly. Safety is paramount in the agriculture industry and AG&P has a long history of performing work safely. We will collaborate with you to ensure proper worker PPE and safety training.

Next Steps

- Help us understand your specific requirements in detail by calling us at [713] 955-2930 or e-mailing agri@agpglobal.com
- We will mutually identify worker classifications, timing, deployment location[s], housing, logistics and other needs
- We will survey our worker data and present you only with those who meet your requirements
- We will manage the entire visa application process from start to finish
